There is currently a promotion from Auran where you can get a copy of Trainz 2009 for free. To do so, you must create an Auran account and subscribe to one of the newsletters.

## 1. Create an Auran Account

First, we open the **promotion page** from Auran.

There, you are greeted with a message stating that you can claim Trainz 2009 for free.

After clicking the button „YES I WANT TRAINZ 2009 FREE!“, you land on the page where you can create an account.

If you already have an account, you can alternatively log in by clicking the „Login“ button at the top and continue with step 2.

The screenshot shows the Auran registration page for Trainz 2009. At the top, there's a navigation bar with links for Products, MyAuran, Trainz News, Trainz Store, Trainz Forums, and Download Station. A large orange button on the left says "JOIN NOW - IT'S FREE!". Below it, there are two main buttons: "CREATE ACCOUNT" and "CONFIRM ACCOUNT". The "CREATE ACCOUNT" button is highlighted with a yellow circle and the number "1". The "CONFIRM ACCOUNT" button is highlighted with a grey circle and the number "2". The registration form requires the user to fill out fields for Username, Password, Confirm Password, Email Address, First Name, and Last Name. There are also checkboxes for "FREE 120000" (to receive newsletters), "ALREADY A TRAINZ MEMBER?" (to log in and update newsletter subscription), and "Newsletter Subscription" (to receive news on releases, offers, and news). At the bottom, there are checkboxes for "Trainz Newsletter" and "I have read and agreed to the Rules". A note at the bottom states: "We use MailChimp as our marketing automation platform. By clicking above to submit this form, you acknowledge that the information you provide will be transferred to MailChimp for processing in accordance with their Privacy Policy and Terms." A sidebar on the right side of the page lists several benefits: "Trainz Community" (Trainz community is home for over 300,000 gamers and train fans. Create a profile and share your online experience with others.), "Unlimited Access" (Register your Trainz serial number to access thousands of items from the Trainz Download Station.), "Trainz Forums" (Join discussions and let your voice be heard in the world of Trainz.), and "Trainz Online" (Create your own Trainz gallery and view thousands of screenshots from other Trainz fans.).

On this page, you enter your username, password, and email address. For „First Name“ and „Last Name“, initials or similar are sufficient.

Please note that you **must subscribe to the newsletter** and **accept the terms**.

Next, we check our email inbox. You should receive an email in which you need to confirm your newsletter subscription.

The screenshot shows an email inbox from temp-mail.org. An email from 'newsletters@nchvgames.com' with the subject 'Trainz Newsletter Subscription: Please Confirm Subscription' is selected.
